MULTIMEDIA GRADUATE

Chathura Ishtaweera

GAME DEVELOPMENT
VIDEO EDITING / SOCIAL MEDIA

Multimedia graduate with **Second Class Honours (Upper Division)**, bringing together game development, video editing and social media. Builds interactive worlds, edits promotional stories and creates content informed by audience research.

EXPERIENCE

Assistant Social Media Manager

Enya Language Center / Jul – Oct 2026

Administered Facebook and Instagram pages and responded to customer enquiries. Reviewed low engagement and proposed a monthly plan with educational posts and Reels. Also supported Moodle administration and marked online examinations.

SELECTED WORK

Lavender Marriage

3D VISUAL NOVEL / FINAL-YEAR PROJECT / 2026

Built a 3D visual novel in Unreal Engine 5 with C++. Modelled five characters in VRoid Studio, integrated them through VRM4U, and combined AI-assisted illustrated scenes, voices and a first-launch trailer.

Post-Production

VIDEO EDITING / PREMIERE PRO

Edited promotional videos for Plan B Coffeehouse, Singha Yoga Retreat, GachaSL and Calm Your Interview Nerves. Additional work includes short-film and news edits and an AI-assisted advertisement.

Team Game Project

LEVEL DESIGN / UNIVERSITY COURSEWORK / 2025

Designed playable levels, mission flow and encounter pacing; collaborated with programmers and artists to bring layouts into an in-engine build.

GamePlayMate

WEB DESIGN & DEVELOPMENT / SOLO PROJECT

Designed and built a gaming-services website with HTML, CSS and JavaScript, including the visual identity, responsive layouts and custom video players.

Gamers vs Non-Gamers

AUDIENCE RESEARCH / BSc DISSERTATION

Compared gaming and non-gaming audiences using SPSS. Passed the viva without revisions and received a recommendation to publish.
